Google

RE: Web Developer Intern

Dear Hiring Manager,

I was motivated to contact you upon learning that Google has an opening for a new Web Developer Intern. For several years now, I have focused my career path and academic pursuits on learning and developing those all-important skills necessary to be great in this type of role. As a personal mission, I strive to empower and improve other's outlooks and circumstances.

I believe that being genuine and nurturing, along with professional and driven, is an essential combination for people in my field. I possess programming, web development and data collection skills. Additionally, my abilities extend to delegation and motivation with proficiency in planning. Working with people from diverse backgrounds has provided me with a deep understanding and awareness of differences in both individuals and organizations. These qualities will help to support Google's mission while reflecting positively on the professionalism and competencies present in its employees.

For further details of my qualifications, background and contributions, please take a moment to review my enclosed resume. I believe that I can successfully be the Web Developer Intern you're seeking and I welcome the opportunity to speak with you at your earliest convenience.

Sincerely,  
Kashyap Shah
