Features

Available on **iOS** (<https://udemy.app.link/Z3LGeLA17jb>) and **Android** (<https://udemy.app.link/Z3LGeLA17jb>)

Description

**Important - Completed the re certification on AWS Developer Associate - September 2017**

Organizations today are embracing the cloud. In 2016, as per a report published by Symantec, around 26% of organizations have taken the leap to the cloud.

Amazon Web services is one of the most widely adopted cloud platforms in the world today. The variety of services provided by AWS is what makes it one of the widely

popular cloud platforms there is.

This course aims at training students on the various aspects of the AWS Cloud platform from a developer perspective. It also enables students to get more prepared
